

We want you to find your way to Rockville, to convenient parking, and to the brew fest as conveniently and efficiently as possible! Please use this map to help you to find your way. We'll have lawn signs posted, volunteers at strategic locations, and Town of Vernon police officers at the corner of West and West Main Streets, at the west and east entrances to the brew fest.

If you use GPS, the brew fest address is "200 West Main Street, Vernon, CT 06066."
To reduce congestion, please consider using Uber (or Lyft) to get to and go home from the brew fest.
